

### Subpart D—Heraldic Quality Control Program

#### § 507.13 General.

The heraldic quality control program provides a method of ensuring that insignia items are manufactured with tools and specifications provided by TIOH.

#### § 507.14 Controlled heraldic items.

The articles listed in § 507.8 of this part are controlled heraldic items and will be manufactured in accordance with Government specifications using Government furnished tools or cartoons. Tools and cartoons are not provided to manufacturers for the items in paragraphs (a) through (e) of this section. However, manufacture will be in accordance with the Government furnished drawings.

(a) Shoulder loop insignia, ROTC, U.S. Army.

(b) Institutional SSI, ROTC, U.S. Army.

(c) Background trimming/flashers, U.S. Army.

(d) U.S. Air Force organizational emblems for other than major commands.

(e) Hand embroidered bullion insignia.

#### § 507.15 Certification of heraldic items.

A letter of certification to manufacture each heraldic item, except those listed in § 507.14 (a) through (e) of this part, will be provided to the manufacturer upon submission of a preproduction sample. Manufacture and sale of these items is not authorized until the manufacturer receives a certification letter from TIOH.

#### § 507.16 Violations and penalties.

A certificate of authority to manufacture will be revoked by TIOH upon intentional violation by the holder thereof of any of the provisions of this part, or as a result of not complying with the agreement signed by the manufacturer to receive a certificate. Such violations are also subject to penalties prescribed in the Acts of Congress (§ 507.5 of this part). A repetition or continuation of violations after official notice thereof will be deemed

prima facie evidence of intentional violation.

#### § 507.17 Procurement and wear of heraldic items.

(a) The provisions of this part do not apply to contracts awarded by the Defense Personnel Support Center for manufacture and sale to the U.S. Government.

(b) All Army and Air Force service personnel who wear quality controlled heraldic items that were purchased from commercial sources will be responsible for ensuring that the items were produced by a certified manufacturer. Items manufactured by certified manufacturers will be identified by a hallmark and/or a certificate label certifying the item was produced in accordance with specifications.

(c) Commanders will ensure that only those heraldic items that are of the quality and design covered in the specifications and that have been produced by certified manufacturers are worn by personnel under their command. Controlled heraldic items will be procured only from manufacturers certified by TIOH. Commanders procuring controlled heraldic items, when authorized by local procurement procedures, may forward a sample insignia to TIOH for quality assurance inspection if the commander feels the quality does not meet standards.

#### § 507.18 Processing complaints of alleged breach of policies.

The Institute of Heraldry may revoke or suspend the certificate of authority to manufacture if there are breaches of quality control policies by the manufacturer. As used in this paragraph, the term quality control policies include the obligation of a manufacturer under his or her "Agreement to Manufacture," the quality control provisions of this part, and other applicable instructions provided by TIOH.

(a) *Initial processing.* (1) Complaints and reports of an alleged breach of quality control policies will be forwarded to the Director, The Institute of Heraldry, 9325 Gunston Road, Room S-112, Fort Belvoir, VA 22060-5579 (hereinafter referred to as Director).
